Eligibility for Rebate

To be eligible, applicants must be able to meet the following criteria:

- The tree must be classified as Significant or Regulated.
- The property must be located within the City of West Torrens.
- Applicants must be the property owner, however if application is from a tenant, approval in writing from the property owner is required.
- Applications for strata title properties must include written proof of support for the application by the body corporate.
- The subject tree must be located on the applicant's private property in West Torrens. However if the subject tree is overhanging the applicants property from a neighbouring property, a letter of support/ approval from the property owner of the tree must be provided with the application.
- Legible and clear supporting documentation must be provided. An itemised receipt showing payment of the arborist tree report (if applicable) and the pruning and/or pest and disease control activities must be provided with the application.
- The subject tree must satisfy the criteria for either a Significant or Regulated Tree as specified in the *Significant and Regulated Tree Criteria*.
- The work undertaken to the subject tree must be in accordance with the rules that apply to works undertaken to Significant and Regulated trees as specified on the Plan SA website.

Significant and Regulated Tree Assistance Rebate Application Form 2023/24

Form Preview

- A maximum of one (1) rebate will be provided per property as outlined in *Rebate Amount*.

I have reviewed the eligibility criteria and meet all the criteria. *

- Yes
 No

Significant and Regulated Tree Criteria

A Regulated tree has:

- a single trunk with a circumference of 2 metres or more - when measured 1 metre above natural ground level
- multiple trunks with a total circumference of 2 metres or more and an average circumference of 625 millimetres or more - when measured at 1 metre above natural ground level.

A Significant tree has:

- a single trunk with a circumference of 3 metres or more measured at a point 1 metre above natural ground level
- multiple trunks with a total circumference of 3 metres or more and an average circumference of 625 millimetres or more when measured 1 metre above natural ground level.

For further information around what Significant and Regulated trees are defined as and what rules apply to works undertaken on these trees please visit the Plan SA website: https://plan.sa.gov.au/our_planning_system/programs_and_initiatives/significant_and_regulated_trees

I have reviewed the Significant and Regulated tree criteria and the tree satisfies either of these criteria *

- Yes
 No

I have reviewed the Plan SA website rules that apply to works undertaken to Significant and Regulated Trees. The works that I have undertaken are in accordance with these rules. *

- Yes
 No

Rebate Amount

The rebate amount is up to \$1,000 per tree with a maximum of one rebate provided per rateable property per financial year. The rebate amount can be used towards the following:

- Arborist report (when works are subsequently undertaken on the tree)
- Tree pruning
- Pest and disease control

Total funding for the rebates is limited, and applications will be processed on a first come first serve basis until all funding is exhausted.
